Safeguarding Policy:

INTRODUCTION:

- 1.1. Safeguarding children is everyone's responsibility. Everyone who comes into contact with children and families has a role to play ensuring children and young people are safe from abuse, exploitation and harm. Our school is committed to safeguarding children and aims to create a culture of vigilance.
- 1.2. Our pupils' welfare is our paramount concern. The governing body will ensure that our school will safeguard and promote the welfare of pupils and work together with agencies to ensure that our school has adequate arrangements to identify, assess and support those children who are suffering or likely to suffer harm.
- 1.3. Our school is a community and all those directly connected, staff members, governors, parents, families and pupils, have an essential role to play in making it safe and secure for all.
- 1.4. This procedure document provides the basis for good practice within the school for Safeguarding work. It should be read in conjunction with the Wirral Safeguarding Partnership safeguarding Policies and Procedures. These are in keeping with relevant national procedures and reflect what the partnership considers to be safe and professional practice in this context.

2 OUR ETHOS:

- 2.1 We believe that this school should provide a caring, positive, safe and stimulating environment that promotes the social, physical, spiritual and moral development of the individual child; enabling all children to thrive.
- 2.2 We recognise the importance of providing an environment within our school that will help children feel safe and respected. We recognise the importance of enabling children to talk openly and to feel confident that they will be listened to. We recognise that both mental and physical health are relevant to safeguarding and the welfare of children
- 2.3 We recognise that all adults within the school, including permanent, supply staff, temporary staff, volunteers, parents and governors, have a full and active part to play in protecting our pupils from harm.
- 2.4 We will work with parents to build a solid understanding of the school's responsibilities to ensure the welfare of all children, including the need for referrals to other agencies in some situations.

3 SCOPE

- 3.1 In line with the law, this policy defines a child as anyone under the age of 18 years but in the case of SEN it is up to 25 years of age.
- 3.2 This policy applies to all members of staff in our school, including all permanent, temporary and support staff, governors, volunteers, contractors and external service or activity providers.
- 3.3 This policy applies to all learners in this school.

4 THE LEGAL FRAMEWORK

- 4.1 Section 175 of the Education Act 2002 places a duty on governing bodies of maintained schools and further education institutions (including sixth-form colleges) to make arrangements for ensuring that their functions relating to the conduct of the school are exercised with a view to safeguarding and promoting the welfare of children who are pupils at the school. Section 157 of the same Act places a similar duty on non-maintained and independent schools, including free schools and academies.
- 4.2 Under section 10 of the Children Act 2004, all maintained schools, further education colleges and independent schools, including free schools and academies, are required to co-operate with the local authority to improve the well-being of children in the local authority area.
- 4.3 Under section 14B of the Children Act 2004, the Local Safeguarding Children Board can require a school or further education institution to supply information in order to perform its functions. This must be complied with.
- 4.4 This policy and the accompanying procedure have been developed in accordance with the following statutory guidance and local safeguarding procedures:

Working Together to Safeguard Children: A Guide to Inter-Agency Working to Safeguard and Promote the Welfare of Children, July 2018:

<https://www.gov.uk/government/publications/working-together-to-safeguard-children--2>

All procedures can be found on the Wirral Safeguarding Children Partnership website:

5 COVID-19 / ROLES AND RESPONSIBILITIES

- 5.1 Keeping Children Safe in Education (KCSIE) remains in force throughout the response to coronavirus (COVID-19).

The department has issued non-statutory interim guidance on [safeguarding in schools, colleges and other providers during the coronavirus outbreak](#). This guidance supports governing bodies, proprietors, senior leadership teams and designated safeguarding leads to continue to have appropriate regard to KCSIE and keep their children safe. It suggests where schools and colleges might consider safeguarding policy and process differently when compared to business as usual.

- 5.2 The school's Designated Safeguarding Lead (DSL) with overall designated responsibility for safeguarding is Mrs L Gorry. We have a deputy designated safeguarding lead, Mrs C Smith, to ensure there is appropriate cover for this role at all times. **The responsibilities of all Designated Safeguarding Lead are described in Appendix A.**

The Designated Safeguarding Lead will be on our school's leadership team and their role of Designated Safeguarding Lead will be **explicit in their job description**. This person should have

the appropriate authority and be given the time, funding, training, resources and support to provide advice and support to other staff on child welfare and Safeguarding matters, to take part in strategy discussions and inter-agency meetings – and/or to support other staff to do so – and to contribute to the assessment of children. The designated safeguarding lead (and any deputies) are most likely to have a complete safeguarding picture and be the most appropriate person to advise on the response to safeguarding concerns. (KCSIE, 2020).

- 5.2 The school has a **nominated governor (Helen Robinson)** responsible for safeguarding to champion good practice, to liaise with the head teacher and to provide information and reports to the governing body.
- 5.3 The **case manager for dealing with allegations** of abuse made against school staff members is the head teacher. The case manager for dealing with allegations against the head teacher is the chair of governors (Helen Robinson). **The procedure for managing allegations is detailed in Appendix C.**
- 5.4 The **head teacher** or proprietor will ensure that the policies and procedures adopted by the governing body are fully implemented and sufficient resources and time are allocated to enable staff members to discharge their safeguarding responsibilities.
- 5.5 The **governing body** is collectively responsible for ensuring that safeguarding arrangements are fully embedded within the school's ethos and reflected in the school's day-to-day practice.
- 5.6 **All staff members, governors, volunteers and external providers** know how to recognise signs and symptoms of abuse, how to respond to pupils who disclose abuse and what to do if they are concerned about a child. They are aware that behaviours and physical signs linked to behaviours that put children in danger. All staff should know what to do if a child tells them he/she is being abused or neglected. Staff should know how to manage the requirement to maintain an appropriate level of confidentiality. This means only involving those who need to be involved, such as the designated safeguarding lead (or a deputy) and children's social care. Staff should never promise a child that they will not tell anyone about a report of abuse, as this may ultimately not be in the best interests of the child. Safeguarding issues can manifest themselves via peer on peer abuse. This may include, but not limited to: bullying (including cyber bullying), gender based violence/sexual assaults, harmful sexual behaviour and sexting. Staff should recognise that children are capable of abusing their peers.

Staff must challenge any form of derogatory and sexualised language or behaviour. Staff should be vigilant to sexualised/aggressive touching/grabbing. Recent DfE guidance situates sexual violence, sexual harassment and harmful sexual behaviour in the context of developing a whole-school safeguarding culture, where sexual misconduct is seen as unacceptable, and not 'banter' or an inevitable part of growing up. It should be recognised that these issues are likely to occur, and so schools should have procedures in place to deal with them. Groups at particular risk include girls, students who identify as Lesbian, Gay, Bisexual, Transgender+ (LGBT+), or are perceived by peers to be LGBT+, and pupils with SEND. We also have a statutory duty to report and record any incidents of 'Upskirting'.

It is important that schools record incidents across the whole spectrum of sexual violence, sexual harassment, and harmful sexualised behaviours so that they can understand the scale of the problem in their own schools and make appropriate plans to reduce it.

<https://www.gov.uk/government/publications/sexual-violence-and-sexual-harassment-between-children-in-schools-and-colleges> (May 2018)

Concerns should be referred to senior staff who may need to consult with the Designated Safeguarding Lead. Victims of peer on peer harm should be supported by the school's pastoral system.

- 5.7 There is a policy regarding the use of mobile phones, cameras and other digital recording devices e.g. i-Pads. For online safety, there is within the policy support about children accessing the internet whilst they're at school using data on their phones (3G or 4G networks). The IT policy is located in the Staff Shared drive and in the main office

6 SUPPORTING CHILDREN

- 6.1 We recognise that children who are abused or witness violence are likely to have low self-esteem and may find it difficult to develop a sense of self-worth. They may feel helpless, humiliated and some sense of blame. Our school may be the only stable, secure and predictable element in their lives.
- 6.2 We accept that the behaviour of a child in these circumstances may range from that which is perceived to be normal to aggressive or withdrawn.
- 6.3 Our school will support all pupils by:
- ensuring the content of the curriculum includes social and emotional aspects of learning; Through PSHE and other curriculum contexts, pupils are encouraged to talk about feelings and deal assertively with pressures, are listened to, and know to whom they can turn to for help and advice;
 - providing pupils with a range of appropriate adults to approach if they are in difficulties; and ensuring that pupils are taught about safeguarding so that they 'recognise when they are at risk and how to get help when they need it' (KCSIE 2020)
 - supporting the child's development in ways that will foster security, confidence and independence and encourage the development of self-esteem and self-assertiveness while not condoning aggression or bullying; The anti-bullying policy is located in the staff shared drive and in the main office.
 - ensuring a comprehensive curriculum response to online safety, enabling children and parents to learn about the risks of new technologies and social media and to use these responsibly; plus Relationship and Sexual Education (RSE) requirements
 - liaising and working together with other support services and those agencies involved in safeguarding children;
 - ensuring that the curriculum will help children stay safe, recognise when they do not feel safe and identify who they might or can talk to and will support young people to become more resilient to inappropriate behaviours towards them, risk taking behaviours and behaviours that children may be coerced into including 'sexting' and 'Harmful Sexualised Behaviour';
 - having a behaviour policy that is aimed at supporting vulnerable pupils in the school. The school will ensure that each pupil knows that some behaviour is unacceptable but that they are valued and not to be blamed for any abuse which has occurred;
 - ensuring repeated hate incidents, e.g. racist, homophobic or gender- or disability-based bullying, are considered under Safeguarding procedures and monitoring children who have been identified as having welfare or protection concerns and providing appropriate support;

- acknowledging the importance of 'contextual safeguarding', which considers wider environmental factors in a pupil's life that may be a threat to their safety and/or welfare. ([Working together to safeguard children July 2018](#) and KCSIE September 2020).
- liaising with a range of agencies that support the pupil such as Health Services, Wirral Social Care, Child and Adolescent Mental Health Services, Education Welfare Services, Special Educational Support Services, Youth Services and the Educational Psychology Service.
- ensuring that, when a pupil who is the subject of a Child Protection Plan leaves, their information is transferred to the new school within two weeks and that the child's Social Worker is informed that the child has moved;
- After 20 days absence if a child has moved and the new school is unknown the school will post details on the 'Pupil to Pupil' register;
- alert the authority if it is aware of any child being looked after under a Private Fostering arrangement. On admission to school, and at other times, the school will be vigilant in identifying any private fostering arrangement. (See Appendix C)
- acknowledging that a child that is looked after (CLA) or has been previously looked after by the Local Authority potentially remains vulnerable and all staff should have the skills, knowledge and understanding to keep CLA and previously looked after children safe. It is important that all agencies work together and prompt action is taken on concerns to safeguard these children, who are a particularly vulnerable group;
- applying disciplinary measures such as restraint or isolation in response to incidents involving children with SEN and disabilities, by considering the risks carefully, given the additional vulnerability of the group;
- recognising that to safeguard a pupil, it may be necessary to use restraint and yet restraint is likely to impact on the well-being of the child. By planning positive and proactive behaviour support, schools and colleges can reduce the occurrence of risky behaviour and the need to use restraint. Guidance is available here:

7 SAFEGUARDING PROCEDURE

- 7.1 We have developed a structured procedure in line with *Wirral Safeguarding Children Partnership* which will be followed by all members of the school community in cases of suspected abuse. **This is detailed in Appendix B.**
- 7.2 In line with the procedures, the Integrated Front Door will be contacted as soon as there is a significant concern (0151 606 2008 / ifd@wirral.gov.uk)
- 7.3 The name of the Designated Safeguarding Lead will be clearly advertised in the school and on the website, with a statement explaining the school's role in referring and monitoring cases of suspected abuse.
- 7.4 We will ensure all parents and carers are aware of the responsibilities of staff members to safeguard and promote the welfare of children by publishing the policy and procedures on our website and by referring to them in our introductory school materials.
- 7.5 We will use the NPCC- [When to call the police](#) to help designated safeguarding leads understand when they should consider calling the police and what to expect when they do.

8 DEALING WITH A DISCLOSURE MADE BY A CHILD – ADVICE FOR ALL MEMBERS OF STAFF

8.1 *If a child discloses that he or she has been abused in some way, the member of staff or volunteer should follow this guidance:*

Receive - Listen actively, open body language, accept, non-judgmental. Use TED (tell, explain, describe)

Reassure - 'You've done the right thing by coming to me', reassure child that you have listened and hear what they are saying; don't promise what can't be delivered

Respond - Tell what you are going to do and do it. Ensure child is ok before leaving

Report - As soon as possible, to the Designated Senior Lead (DSL) in school

Record - Vital – facts, no opinions – When? Where? Who? What?

Review – Take responsibility to follow up any referral with a DSL

In addition:

- Inform the Designated Safeguarding Lead without delay and follow safeguarding process.
- Complete the Safeguarding incident/welfare concern form and pass it to the DSL.

Dealing with a disclosure from a child and safeguarding issues can be stressful. Consider seeking support for yourself and discuss this with the DSL.

Further information about what to do if you are worried that a child is being abused is available here in advice for practitioners:

<https://www.gov.uk/government/publications/what-to-do-if-youre-worried-a-child-is-being-abused--2>

RECORD KEEPING

- 8.2 All concerns, discussions and decisions made and the reasons for those decisions **must** be recorded in writing (signed and dated). Supporting Families, Enhancing Future model (SFEF) to be used to capture the child's voice and their daily lived experience.
- 8.3 We will continue to support any pupil leaving the school about whom there have been concerns by ensuring that all appropriate information, including Safeguarding and welfare concerns, is forwarded under confidential cover to the pupil's new school as a matter of priority.
- 8.4 Schools should have at least two emergency contacts for every child in the school in case of emergencies, and in case there are welfare concerns at the home in order to reduce the risk of not making contact with family members where welfare and/or safeguarding concerns are identified. (Keeping Children Safe in Education 2020)

DISCUSSING CONCERNS WITH THE FAMILY AND THE CHILD – ADVICE FOR THE DESIGNATED SAFEGUARDING LEAD (DSL)

- 9.1 In general, you should always discuss any concerns the school may have with the child's parents. They need to know that you are worried about their child. However, you should not discuss your concerns if you believe that this would place the child at greater risk or lead to loss of evidence for a police investigation.
- 9.2 If you make a decision not to discuss your concerns with the child's parents or carers, due to concerns about potentially putting the child at risk, this must be recorded in the child's Safeguarding file with a full explanation for your decision.
- 9.3 It is important to record and consider the child's wishes and feelings, as part of planning what action to take in relation to concerns about their welfare. Capturing the lived experience of the child is paramount to ensure that actions remain child-centred (See Appendix C (Supporting Families Enhancing Futures - SFEF) model to capture the child's lived experience.
- 9.4 When talking to children, you should take account of their age, understanding and preferred language, which may not be English. It is also important to consider how a SEND child may need support in communicating.
- 9.5 How you talk to a child will also depend on the substance and seriousness of the concerns. You may need to seek advice from the Integrated Front Door or the police to ensure that neither the safety of the child nor any subsequent investigation is jeopardised.
- 9.6 If concerns have arisen as a result of information given by a child, it is important to reassure the child but not to promise confidentiality.
- 9.7 It is expected that you discuss your concerns with the parents and seek their agreement to making a referral to the Integrated Front Door, unless you consider that this would place the child at increased risk of significant harm.
- 9.8 You do not need the parents' consent to make a referral if you consider the child is in need of protection, although parents will ultimately be made aware of which organisation made the referral. If parents refuse to give consent to a referral but you decide to continue, you need to make this clear to the Integrated Front Door (0151 606 2008).
- 9.9 If you decide to refer the child without the parents' consent, make sure to record this with a full explanation of your decision.
- 9.10 When you make your referral, you should agree with the Integrated Front Door what the child and parents will be told, by whom and when.

MAKING A REFERRAL - If a child or young person is at risk of harm, abuse or neglect please report it to the **Integrated Front Door**

10 SAFER WORKFORCE AND MANAGING ALLEGATIONS AGAINST STAFF AND VOLUNTEERS (This procedure is detailed in Appendix C, Section 4)

- 10.1 We will prevent people who pose risks to children from working in our school by ensuring that all individuals working in any capacity at our school have been subjected to safeguarding checks in line with ***Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges, September 2020***. In addition to obtaining the DBS certificate described, anyone who is appointed to carry out teaching work will require an additional check to ensure they are not prohibited from teaching. See Appendix C.

A check of any prohibition can be carried out using the Teacher Services' system that may be found here: <https://teacherservices.education.gov.uk/> (January 2018)

Prohibition orders are described in the National College for Teaching and Leadership's (NCTL) publication Teacher misconduct: the prohibition of teachers. It can be found here:

<https://www.gov.uk/government/publications/teacher-misconduct-the-prohibition-of-teachers--3>

- 10.2 We will ensure that agencies and third parties supplying staff provide us evidence that they have made the appropriate level of safeguarding checks on individuals working in our school. See Appendix C, for information on Single Central Record (SCR). The single central record must cover the following people: all staff, including teacher trainees on salaried routes, agency and third-party and supply staff who work at the school. The Single Central Record is located in the main office.
- 10.3 Every job description and person specification will have a clear statement about the safeguarding responsibilities of the post holder.
- 10.4 We will ensure that at least one member of every interview panel has completed safer recruitment training within the last 5 years.
- 10.5 We have a procedure in place to manage allegations against members of staff, supply staff and volunteers in line with [WSCP procedures](#).
- 10.6 Supply teachers – we will consider all allegations against an individual not directly employed by, where disciplinary procedures do not fully apply, (for example, supply teachers provided by an employment agency) and ensure allegations are dealt with properly.
- 10.7 There is an agreed staff behaviour policy (sometimes called the code of conduct) which is compliant with 'Safer Working Practices', and includes - acceptable use of technologies, staff/pupil relationships and communications including the use of social media.
- 10.8. For agency and third party supply staff, schools and colleges must also include whether written confirmation has been received that the employment business supplying the member of supply staff has carried out the relevant checks and obtained the appropriate certificates, and the date that confirmation was received and whether any enhanced DBS certificate check has been provided in respect of the member of staff.

Guidance can be accessed:

<http://www.rrecruitment.com/wp-content/uploads/2016/04/Guidance-for-Safer-Working-Practice-October-2015.pdf>

11 STAFF INDUCTION, TRAINING AND DEVELOPMENT

- 11.1 All new members of staff, including newly-qualified teachers and teaching assistants, will be given induction that includes basic safeguarding training on how to recognise signs of abuse, how to respond to any concerns, e-safety and familiarisation with the safeguarding policy, staff code of conduct, Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges, Part One, September 2020 and other related policies. There are mechanisms in place, such as safeguarding updates, to assist staff to understand and discharge their role and responsibilities as set out in Part one of Keeping Children Safe in Education. Staff should also read, "[Working Together to Safeguard Children](#)." July 2018
- 11.2 The induction will be proportionate to staff members' roles and responsibilities
- 11.3 All Designated Safeguarding Leads (DSLs) will undergo updated Safeguarding training every two years. DSL's should undertake Prevent awareness training
- 11.4 All staff members of the school will undergo face to face training (whole-school training) which is regularly updated and at least every three years. ***All governors must undergo governor specific awareness training at least every two years – this is to be decided by the school / setting.*** All staff will have access to WSCB multi-agency safeguarding training and e-learning.
- 11.5 Staff members who miss the whole-school training will be required to undertake other relevant training to make up for it, e.g. by joining another school's whole-school training, booking onto whole-school training mop-up sessions. To book mop up sessions visit safeguarding partnership website: <https://www.wirralsafeguarding.co.uk/safeguarding-training-for-schools/>
- 11.6 The nominated governor for safeguarding will undergo training prior to or soon after appointment to the role; this training will be updated every three years.
- 11.7 We will ensure that staff members provided by other agencies and third parties, e.g. supply teachers and contractors, have received appropriate safeguarding training commensurate with their roles before starting work. They will be given the opportunity to take part in whole-school training if it takes place during their period of work for the school.
- 11.8 The Designated Safeguarding Lead will provide briefings to the school on any changes to safeguarding legislation and procedures and relevant learning from local and national serious case reviews. These will occur annually or more frequently when necessary.
<https://www.wirralsafeguarding.co.uk/professionals/serious-case-reviews/>
- 11.9 The school will maintain accurate records of staff induction and training.

12 CONFIDENTIALITY, CONSENT AND INFORMATION SHARING

- 12.1 We recognise that all matters relating to Safeguarding are confidential.
- 12.2 The head teacher or the Designated Safeguarding Lead will disclose any information about a pupil to other members of staff on a need-to-know basis only

- 12.3 All staff members must be aware that they cannot promise a child to keep key information a secret or to themselves which might compromise the child's safety or well-being.
- 12.4 All staff members have a professional responsibility to share information with other agencies in order to safeguard children.
- 12.5 All staff members who come into contact with children will be given appropriate training to understand the purpose of information sharing in order to safeguard and promote children's welfare.
- 12.6 We will ensure that staff members are confident about what they can and should do under the law, including how to obtain consent to share information and when information can be shared without consent.
- 12.7 Staff should not assume a colleague or another professional will take action and share information that might be critical in keeping children safe. They should be mindful that early information sharing is vital for effective identification, assessment and allocation of appropriate service provision. [Information Sharing: Advice for Practitioners Providing Safeguarding Services to Children, Young People, Parents and Carers](#) supports staff who have to make decisions about sharing information. This advice includes the seven golden rules for sharing information and considerations with regard to the Data Protection Act 2018 and General Data Protection Regulation (GDPR). If in any doubt about sharing information, staff should speak to the designated safeguarding lead or a deputy. Fears about sharing information must not be allowed to stand in the way of the need to promote the welfare, and protect the safety of children. (KCSIE 2020)

13 INTER-AGENCY WORKING

- 13.1 We will develop and promote effective working relationships with other agencies, including agencies providing early help services to children, the police and Children's Social Care. Early help means providing support as soon as a problem emerges at any point in a child's life, from the foundation years through to the teenage years. For more information on Early Help click: <https://www.wirralsafeguarding.co.uk/professionals/what-is-early-help/>
- 13.2 We will ensure that relevant staff members participate in multi-agency meetings and forums, including child protection conferences and core groups, to consider individual children.
- 13.3 We will participate in serious case reviews, other reviews and file audits as and when required to do so by the Wirral Safeguarding Children Partnership. We will ensure that we have a clear process for gathering the evidence required for reviews and audits and embed recommendations into practice and compile required actions within agreed timescales.

14 CONTRACTORS, SERVICE AND ACTIVITY PROVIDERS AND WORK PLACEMENT PROVIDERS

- 14.1 We will ensure that contractors and providers are aware of our school's safeguarding policy and procedures. We will require that employees and volunteers provided by these organisations use our procedure to report concerns.
- 14.2 We will seek assurance that employees and volunteers provided by these organisations and working with our children have been subjected to the appropriate level of safeguarding check in line with *Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges, 2020*. If assurance is not obtained, permission to work with our children or use our school premises may be refused.

- 14.3 When we commission services from other organisations, we will ensure that compliance with our policy and procedures is a contractual requirement.

15 WHISTLE-BLOWING AND COMPLAINTS

- 15.1 We recognise that children cannot be expected to raise concerns in an environment where staff members fail to do so. The school / College Whistle Blowing policy is located in the staff room currently but will be on the staff shared drive by 23.10.2020

Whistleblowing: guidance and code of practice for employers is located: https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/415175/bis-15-200-whistleblowing-guidance-for-employers-and-code-of-practice.pdf (March 2015)

Whistleblowing Advice Line is available for all worker - 0800 028 0285

- Email help@nspcc.org.uk

- 15.2 We will ensure that all staff members are aware of their duty to raise concerns, where they exist, about the management of Safeguarding, which may include the attitude or actions of colleagues. If necessary, they will speak with the head teacher, the chair of the governing body or with the Local Authority Designated Officer (LADO).
- 15.3 We have a clear reporting procedure for children, parents and other people to report concerns or complaints, including abusive or poor practice.
- 15.4 We will actively seek the views of children, parents and carers and staff members on our Safeguarding arrangements through surveys, questionnaires and other means.

16 SITE SECURITY

- 16.1 All staff members have a responsibility to ensure our buildings and grounds are secure and for reporting concerns that may come to light.
- 16.2 We check the identity of all visitors and volunteers coming into school. Visitors are expected to sign in and out in the office visitors' log and to display a visitor's badge while on the school site. Any individual who is not known or identifiable will be challenged for clarification and reassurance.
- 16.3 The school will not accept the behaviour of any individual, parent or anyone else, that threatens school security or leads others, child or adult, to feel unsafe. Such behaviour will be treated as a serious concern and may result in a decision to refuse the person access to the school site.

17 QUALITY ASSURANCE

- 17.1 We will ensure that systems are in place to monitor the implementation of and compliance with this policy and accompanying procedures.
- 17.2 We will complete an audit of the school's safeguarding arrangements at frequencies specified by the Wirral Safeguarding Children Partnership and using the Section 175 online audit tool provided by them for this purpose. More information including how to register for the audit: <https://www.wirralsafeguarding.co.uk/professionals/section-11-175-audit/>
- 17.3 The school's senior management and the governing body will ensure that action is taken to remedy any deficiencies and weaknesses identified in child protection arrangements without delay.

1. What is it?

Sexual violence and sexual harassment can occur between two children of any age and sex. It can also occur through a group of children sexually assaulting or sexually harassing a single child or group of children. Sexual violence refers to sexual offences under the Sexual Offences Act 2003, including rape, assault by penetration and sexual assault (Fully described in the DfE guidance and in KCSIE). This briefing will focus on peer sexual harassment.

Sexual harassment means 'unwanted conduct of a sexual nature' that can occur online and offline and is likely to: violate a child's dignity, and/or make them feel intimidated, degraded or humiliated / create a hostile, offensive or sexualised environment. It is important that schools are aware and that children can, & sometimes do, abuse their peers in this way.

2. What is sexual harassment?

Sexual harassment can include: sexual comments, such as telling sexual stories, making lewd comments, making sexual remarks about clothes and appearance and calling someone sexualised names / sexual "jokes" or taunting / physical behaviour, such as: deliberately brushing against someone, interfering with someone's clothes and displaying pictures, photos or drawings of a sexual nature / online sexual harassment / non-consensual sharing of sexual images and videos

This may be standalone, or part of a wider pattern of sexual harassment and/or sexual violence. It may include: sexualised online bullying / unwanted sexual comments and messages, including, on social media / sexual exploitation; coercion and threats; and 'Upskirting'.

3. Why is it important?

The Department for Education (DfE) first published guidance on Sexual Violence and Sexual Harassment between children in schools and colleges, in 2017 (updated May 2018) which means that schools and colleges in England must have regard to it when carrying out their duties to safeguard and promote the welfare of children.

The advice covers children of all ages, from the primary through secondary stage and into colleges. Whilst the focus of the advice is on protecting and supporting children, schools and colleges should of course protect any adult students and engage with adult social care, support services and the police as required.

6. What should we do?

Sexual violence and sexual harassment exist on a continuum and may overlap, they can occur online and offline (both physical and verbal) and are never acceptable. It is important that all victims are taken seriously and offered appropriate support. Staff should be aware that some groups are potentially more at risk. Girls, children with SEND and LGBT children are at greater risk.

Reports of sexual violence and sexual harassment are extremely complex to manage. Victims need to be protected, offered appropriate support and every effort made to ensure their education is not disrupted. It is also important that other children, adult students and school and college staff are supported and protected as appropriate.

4. Key Statistics

Evidence and crime statistics suggest that anywhere from 1/5 to 2/3's of sexual abuse is committed by other children and young people. The NSPCC uses the figure of 1/3 as a mid-way point between the lower end and the higher end of the estimates.

37% of female students and 6% of male students at mixed-sex schools have personally experienced some form of sexual harassment at school. Girls are significantly more likely to be victimised with unwanted sexual messages and images from their peers online, with 31% of female respondents aged 13-17 years saying they had experienced this in 2019 compared to 11% of male respondents.

5. What is the impact?

Sexual harassment can create an atmosphere that, if not challenged, can normalise inappropriate behaviours and provide an environment that may lead to sexual violence. All staff should be aware of indicators and importance of making clear that sexual violence and sexual harassment is not acceptable, will never be tolerated / not dismissing sexual violence or sexual harassment as "banter" / challenging behaviours (such as grabbing bottoms, breasts and genitalia, flicking bras and lifting up skirts. Dismissing or tolerating such behaviours risks normalising them. The school safeguarding procedures should be transparent, clear and easy to understand for staff, pupils, students, parents and carers.

1. What is Peer Sexual Abuse?

It's normal for children to display a range of sexual behaviours as they grow up, but sometimes their behaviour can be harmful to themselves and others. Around a third of child sexual abuse is committed by other children and young people (Hackett, 2014). We call this peer sexual abuse.

Peer Sexual abuse includes, but is not limited to:

- physical and sexual abuse / sexual harassment and violence / emotional harm / on and offline bullying / teenage relationship abuse

2. What is the context?

Peer sexual abuse can happen in a range of settings, including: at school / at home / in public spaces / at parties / at a friend's house / online. It can take place in spaces which are supervised or unsupervised. Within a school context, for example, peer-on-peer sexual abuse might take place in spaces such as toilets, the playground and outdoor areas, corridors and when children are travelling to and from school (Contextual Safeguarding Network, 2020).

It should be recognised that the behaviour in question is harmful to both the perpetrator (who is a child) and the victim. Behaviour may be intimate or non-intimate.

3. Why is it important?

Young people can be confused about whether or not they have experienced peer sexual abuse. Reasons for this include:

Confusion about what constitutes 'normal' sexual activity / they don't know whether they gave consent (N.B no-one can consent to being abused) / they were using substances when the abuse took place / the abuse was carried out by a friend or partner / the abuse took place online; and/or they blame themselves for what happened.

Parents & professionals don't always know the most appropriate way to respond to children who display harmful sexual behaviour and/or who have experienced peer sexual abuse.

Peer Sexual Abuse

4. What is the impact?

Experiencing peer sexual abuse can have a long-lasting negative impact on a child's wellbeing that can reach into adulthood. Effects can include:

- mental health issues – such as post-traumatic stress disorder (PTSD), anxiety, low self-esteem, depression, self-harming
- challenging behaviour – such as substance misuse, sexualised behaviour, offending
- relationship problems – for example intimacy issues, having unstable relationships, unable to form or sustain friendships

5. Spotting the signs and symptoms

- absence from school or disengagement from school activities
- physical injuries / mental or emotional health issues
- becoming withdrawn – lack of self esteem / lack of sleep / alcohol or substance misuse
- changes in behaviour / inappropriate behaviour for age / abusive towards others

As with all safeguarding issues, peer on peer abuse can impact on children and young people without these characteristics.

6. What should you do?

It's important that adults who work or volunteer with children can identify if sexualised behaviour becomes harmful or abusive, and respond proportionally to keep all the children involved safe. This also includes knowing how to proactively:

- Respond to disclosure or a concern raised
- Initiate a discussion with your safeguarding lead
- Take immediate action
- Make a referral when appropriate (for the victim and also perpetrator who may be a child in need).
