### 4. Scheme of Work

St Peter's uses Social and Emotional Aspects of Learning (SEAL) to guide the PSHE curriculum. Here is an overview of the annual cycle of SEAL learning:

<b>Autumn 1</b>	<b>Autumn 2</b>	<b>Spring 1</b>	<b>Spring 2</b>	<b>Summer 1</b>	<b>Summer 2</b>
New Beginnings	Getting on and falling out	Going for goals	Good to be me	Relationships	Changes

In addition we hold regular themed weeks to supplement the PSHE curriculum such as, anti-bullying week, Best of British week and One World Week.

## **5. British Values**

At St Peter's Catholic Primary School we uphold and teach pupils about British Values which are defined as:

- Mutual respect
- Rule of law
- Democracy
- Individual liberty
- Tolerance of those of different faiths and beliefs

These values are taught through PSHE and aided with themed weeks such as Best of British, Black History week and through trips and exploration of Human Right. Each year we have a 'One World Week' where we focus on our faiths and traditions. We also teach British Values through planning and delivering a broad and balanced curriculum.

## **6. Timetabling and cross-faculty involvement**

- 6.1. We will use direct teaching via timetabled lessons.
- 6.2. PSHE will be taught in discrete curriculum time, delivered by class teachers.
- 6.3. We will ensure cross-curricular learning through discussion between faculties, for example, physical education, science and religious education.
- 6.4. There is an element of PSHE in pastoral care and we will ensure that PSHE curriculum is tailored to meet pupil need, for instance through additional work upon health or anti-bullying if required by a specific group of children

## **7. Reporting and confidentiality**

- 7.1. Every lesson should reinforce that, if pupils have any personal concerns or wish to talk about any of the issues raised in the lesson; they should feel comfortable consulting their class teacher or another member of staff about this.
- 7.2. Pupils will be encouraged to have an open dialogue regarding any such issues with their class teacher but must understand that their teacher may not be able to keep certain information confidential, for example, where there are safeguarding issues raised. When a pupil does wish to speak to a teacher about any such issue, the teacher should ensure that the pupil is aware of this responsibility.

## **8. Tailoring PSHE**

- 8.1. Discussion and other activities will be used in initial PSHE lessons in order to ascertain 'where pupils are' in terms of their knowledge and understanding of various subjects. The teaching programme will then be adjusted to reflect the composition of the class with regard to this.
- 8.2. Teaching will take into account the ability, age, readiness and cultural backgrounds of all young people in the class and will be tailored accordingly.

8.3. Adaptations will be made for those for whom English is a second language to ensure that all pupils can fully access PSHE educational provision.

8.4. All pupils with special educational needs will receive PSHE education, with content and delivery tailored to meet their individual needs.
