## Green Day

Although today is a sad one, we have made sure to remember our friend Joshua in many different ways.

Children and staff came to school dressed in his favourite colour - green. Father John held Mass where we remembered all the fun and laughter Joshua brought into our lives.

The children also had lots of fun on the inflatable assault course, something Joshua would have loved and spent many hours bouncing around on.

A big thank you needs to be said to UK Military Schools for the use of their Assault Course and also to Alex Roberts from Alex Roberts Chaotic Crafting, who has worked hard to produce the incredible t-shirts Parents and Carers have ordered through her store.

Finally a big thank you to all of St Peter's community who have helped support today and made it such an amazing one for such a special boy!

We send all our love and prayers to the Dunbar family xxx

## LEGO ALIENS

Yr4 had lots of fun designing and programming Lego Aliens and Robots during their IT lesson. Working in pairs, each group designed an alien or robot and made it from Lego. Once this was done they used specialist software on their iPads to programme each creation so they could move and make sounds.

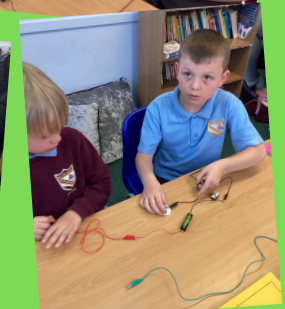

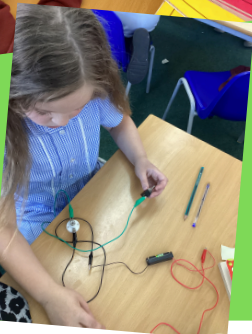

**Children joining F2 in September will be given a free PE kit!**

**Contact the school office to let them know what size your child will need.**

## SIMPLE CIRCUITS

Year 3 have been continuing their lighthouse making in class. They have started working on the electrical circuits this week and have been looking at how they will need to wire up the light bulb so it works in their finished models.

# ST PETER'S POST

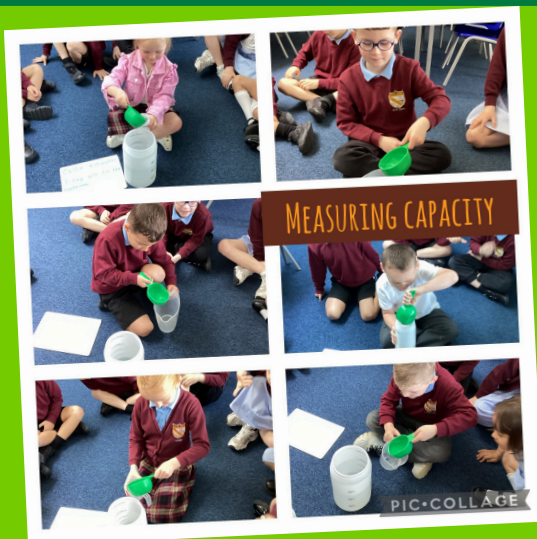

## THE VERY HUNGRY CATERPILLAR

Preschool have loved looking at 'The Very Hungry Caterpillar' this week. After finishing they had the chance to make their very own healthy fruit kebabs including all of the fruits featured in their book!

## MASS & VOLUME

Yr1 have been learning about measuring and capacity in their Math lessons. They were comparing how much water different items could hold, measuring the amounts and then recording their findings in a table.

Don't forget to bring a water bottle each day that is labelled with your child's name.

In the sunny weather, please make sure your child has sunscreen on.

Each week a class with over 94% attendance will roll the dice and move along the Attendopoly Board for a chance to win rewards. If they land on a Chance or Community Chest card they can pick a card with more options for fun incentives.

With all the fun and excitement from Green Day this week we didn't have time for a celebration assembly. We definitely need to give a massive round of applause to F1 and Yr4 though who got 98.8% and 97.8%, keep up the good work!
