

ST PETER'S POST

YR3 BAPTISMS

This week, some of our Year 3 children were baptised as part of their preparation for receiving their First Holy Communion on the 13th June. It was a special and joyful occasion for the children and their families, marking an important step in their faith journey.

YR4 SWIMMING

Year 4's first group have successfully completed their first week of swimming lessons. Throughout the week, the children have shown great enthusiasm and determination, working extremely hard to develop their swimming skills and build their confidence in the water. We are very proud of their effort, positive attitude, and willingness to challenge themselves as they continue to make progress.

BUTTERFLY RELEASE

F2 have been learning about the life cycle of butterflies as part of Understanding the World. Today was a very exciting day as the children released their own butterflies, which they have carefully nurtured and observed growing from eggs through each stage of their life cycle.

Ways to Beat Head Lice

Ask the pharmacy team what products will work best for you

You need to check the hair for lice at least twice a week, every week

Wet-Combing is the best method of detecting and removing lice and nits

Only use a lice treatment if live lice are actually present in the hair

Make sure to treat every affected family member at the same time
