

YEAR 1 – Introducing Colour

Artist focus – Vincent Van Gogh

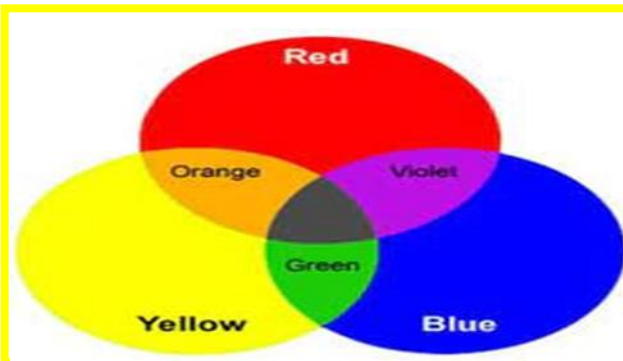

What I should already know:

- ✓ To recognise outlines of shapes.
- ✓ To experiment with lots of different materials to create a final piece.
- ✓ To know that there are 3 primary colours – red, blue and yellow.

At the end of this topic, I will know:

- Recognise light and shade in drawings.
- Begin to explore tone using different grades of pencils, pastels and chalks.
- To recognise that there are primary and secondary colours which can be linked to certain feelings.

Key Facts:

The Starry Night was created by Vincent Van Gogh using oil paints in 1889.

Vincent Van Gogh created his famous 'Sunflowers' painting using oil paints in 1888. It is displayed in the National Gallery in London.

There are 3 primary colours – red, yellow and blue. Secondary colours are made by mixing primary colours together.
