

ST PETER'S POST

BUDDING BOTANISTS

In science, Yr1 have been dissecting plants and looking at the different elements that make up the plant as a whole. They then went on to learn the names of each section and drew what they could see.

GYMNASTICS

Mr Kelly's gymnastics clubs have been a great success this half term. There's a few spaces in each club if you would like to come along and join in the fun.

MILITARY SCHOOL

Paddy from Military school has been working with Yr4 and Yr5 this week. They have been focusing on developing their team work skills

and have been using different ways to communicate instructions to one another.

Monday	F1
Wednesday	Preschool, Yr6
Thursday	F2, Yr1, Yr2, Yr3
Friday	Yr4, Yr5

YR4 GEOGRAPHY

**DONT FORGET TO
WRAP UP WARM**

Yr4 have been looking at the different places their food comes from in their Geography lesson.

They all loved finding out the unexpected foreign places the originated and the distance they travel before they end up on our plate.

ST PETER'S POST

BREAD TASTING

Yr1 have been tasting a range of breads from around the world this week. They have loved trying the new foods and got to compare each one and rate them out of 10!

Edsential CATERING

Each week a class with over 94% attendance will roll the dice and move along the Attendopoly Board for a chance to win rewards. If they land on a Chance or Community Chest card they can pick a card with more options for fun incentives.

This week Yrs 2, 3, 4 & 5's attendance was above 94%. They'll have to wait until our celebration assembly on Monday to roll the dice for a chance to win a prize!

Whole School Weekly Attendance - 90%

ST PETER'S POST

ILLNESS & APPOINTMENTS

Don't forget, if your child is ill call 0151 677 8438 and leave a message before 9:30am.

If you need to collect your child early for an appointment the LA are now asking for medical proof. This can be a letter, text, email or appointment card.

ST PETER'S RC PRIMARY CURRICULUM CLUBS

Clubs started Tuesday 6th January & run for **6 weeks** each (finishes 13th February)

20 APPS PARENTS & CARERS NEED TO KNOW

www.SocialWorkersToolbox.com

Snapchat

Messages and photos disappear. Children can be pressured to send images because they believe they will not be saved. Location sharing can show where a child is in real time.

Roblox

Although it looks like a children's game, it includes chat features. Children can be contacted by strangers and slowly groomed through friendly game play.

**Kik
Messenger**

Accounts can be anonymous. It is often used to move conversations away from apps parents may check.

Fortnite

Voice chat allows children to talk to strangers during games. Language and behaviour are often inappropriate.

TikTok

Children can see adult content, receive sexual comments, and be contacted by strangers. Live videos allow real-time interaction, which can quickly become unsafe.

Telegram

Messages and groups are encrypted, making them difficult to monitor. It is used to share sexual images, harmful material, and to keep conversations hidden from adults.

Hoop

The app connects directly to Snapchat and encourages children to add new contacts quickly, including people they have never met.

Reddit

Children can easily access sexual, violent, or extreme material through posts and comments.

Instagram

Messages allow strangers to contact children directly. Many children run secondary accounts that parents do not know about. There is strong pressure around appearance and popularity.

OmeTV

Random video chats with strangers. No effective safeguarding. Sexual content and adult behaviour are common. Children have no control over who appears on screen.

LiveMe

Children can broadcast themselves live to anyone watching. Viewers can comment in real time, including adults.

BeReal

The app prompts children to take photos instantly, which can lead to oversharing without thinking about safety.

WhatsApp

Private chats and group chats are often used for school or friendship groups, but bullying, exclusion, and sharing of images can happen quickly and spread widely.

Yubo

The app is designed to meet new people. Children can live stream and chat with strangers, which can quickly become sexual or exploitative.

Calculator+

These apps look like calculators but are used to hide photos, videos, and messages from parents and carers.

Twitch

Children watch and interact with live streamers through chat, which often includes adults and unmoderated comments.

Discord

Children join private chat servers linked to gaming or interests. These spaces are often unmoderated and can include adults, sexual content, or harmful language.

Monkey

Children are placed into random video chats with people they do not know. They have no control over who appears on screen.

YouTube

Children can be exposed to adult content through suggested videos, comments, and live streams, even when watching innocent clips.

Bumble

This is a dating app. Despite age limits, some under-18s access it to talk to adults looking for relationships.
