

ST PETER'S POST

A MESSAGE FROM MRS PARRY

I just want to acknowledge our wonderful staff this week for braving this weather and working together to make our school safe and open. It has been a hard slog but it has been so rewarding to know that we have been able to ensure all our children have had access to a warm school, a hot meal and some truly memorable moments along the way. I am immensely proud of their dedication.

Thanks also to all our incredible families who have supported our efforts. The safety and well-being of our whole community have always remained my priority and I fully understand that, for some, the decision to remain at home and access online learning was absolutely the safest option. For those that made it in – well done for your bravery and thanks for trusting us with your precious children. I promise that all my decisions are made with them in mind.

Here's praying for warmer weather next week!
