

# ST PETER'S POST

Well Done!

To our wonderful Year 6 class – congratulations on finishing your SATs exams! You should all feel incredibly proud of yourselves for the hard work, determination, and positive attitude you have shown throughout the year. We are all so proud of how hard you worked and the effort you put in every single day. No matter the results, you have shown resilience, maturity, and teamwork, and that is something truly worth celebrating. Now it's time to relax, enjoy yourselves, and look forward to all the exciting things still to come this year!

## FLOATING AND SINKING

In Science this week, Year 1 have been exploring different materials and investigating whether objects float or sink. The children made predictions, tested a range of items in water, and carefully observed what happened. They learned to describe materials such as wood, plastic, metal, and fabric, and began to understand why some objects stay on the surface while others sink. The class enjoyed working like real scientists, asking questions, sharing ideas, and recording their results.

## UK MILITARY SCHOOL

Yr3 have loved working with Paddy from UK Military School. He's been really impressed with their enthusiasm, teamwork, and the positive attitude they have brought to each session, well done!

## INGREDIENT TASTING

In DT, Year 5 have been exploring a variety of ingredients by tasting, comparing and evaluating different flavours, textures and smells.

Each week a class with over 94% attendance will roll the dice and move along the Attendopoly Board for a chance to win rewards. If they land on a Chance or Community Chest card they can pick a card with more options for fun incentives.

All of our classes have tried really hard this week with their attendance and we had 4 able to roll the dice. F2 were lucky enough to land on a chance card and won 'Drawing Time'!
