## STAY & PLAY

## It's a Boy

We want to send lots of love to Miss Robinson who has given birth to a beautiful healthy baby boy!

Thank you to all of our EYFS parents that came along to the Early Years Valentines Stay & Play!

The children loved having you visit and taking part in arts and crafts with you all.

## ENVIRONMENTAL ART

In Art Yr4 have been creating environmental art in the style of Angelika Heckhausen.

## ST PETER'S PRIMARY SCHOOL CALLING ALL TODDLERS!

## ANDY WARHOL

Preschools Artist of the week this week has been Andy Warhol.

Each child used photographs of themselves and painted each one a different colour with watercolour paints in the famous Pop Art style.

## YR2 MASK MAKING

Yr2 were getting messy with Mod Rock, wire mesh and paint in Art this week.

Each child is designing, making and decorating their own mask as part of this terms topic inspired by African art.

## YR5 GAMES

As part of Children's Mental Health Week Yr5 have been getting active and have been taking part in teams games. From the amount of laughter coming from the hall it sounded like they all had a great time.

## Congratulations!

It was hard this week picking the winners of our 'Be Happy' certificates, we had so many pupils to choose from! Well done to everyone that ended this half term on a high with a well deserved reward.

Our winners of the new Playground Certificate should also be very proud of themselves. Each one has stood out to a member of lunch staff for an extra special reason.

### PE DAYS

Monday	F1
Wednesday	Preschool, Yr6
Thursday	F2, Yr1, Yr2, Yr3
Friday	Yr4, Yr5

### LUNAR NEW YEAR

F1 have been learning about how Lunar New Year is celebrated in the Chinese community. They looked at the foods eaten, what decorations are put up and even learnt how to say and write certain words in Chinese!

### F2 ASSEMBLY

A massive well done and round of applause for our F2 class who held their class assembly on Wednesday. Their theme was 'What We Love'.

## BREAD ANYONE?

After Yr1's hard work over the past half term planning, designing and researching bread, they have completed their topic by baking their own loaves and packaging them up.

Each week a class with over 94% attendance will roll the dice and move along the Attendopoly Board for a chance to win rewards. If they land on a Chance or Community Chest card they can pick a card with more options for fun incentives.

We had a brilliant week for attendance across most of our classes with 6 getting over 94%.

Two classes landed on prize tiles with Yr2 winning a movie afternoon and F1 winning the slushie machine!

## 20 APPS PARENTS & CARERS NEED TO KNOW

[www.SocialWorkersToolbox.com](http://www.SocialWorkersToolbox.com)

 <b>Snapchat</b>	 <b>Roblox</b>	 <b>Kik Messenger</b>	 <b>Fortnite</b>
Messages and photos disappear. Children can be pressured to send images because they believe they will not be saved. Location sharing can show where a child is in real time.	Although it looks like a children's game, it includes chat features. Children can be contacted by strangers and slowly groomed through friendly game play.	Accounts can be anonymous. It is often used to move conversations away from apps parents may check.	Voice chat allows children to talk to strangers during games. Language and behaviour are often inappropriate.
 <b>TikTok</b>	 <b>Telegram</b>	 <b>Hoop</b>	 <b>Reddit</b>
Children can see adult content, receive sexual comments, and be contacted by strangers. Live videos allow real-time interaction, which can quickly become unsafe.	Messages and groups are encrypted, making them difficult to monitor. It is used to share sexual images, harmful material, and to keep conversations hidden from adults.	The app connects directly to Snapchat and encourages children to add new contacts quickly, including people they have never met.	Children can easily access sexual, violent, or extreme material through posts and comments.
 <b>Instagram</b>	 <b>OmeTV</b>	 <b>LiveMe</b>	 <b>BeReal</b>
Messages allow strangers to contact children directly. Many children run secondary accounts that parents do not know about. There is strong pressure around appearance and popularity.	Random video chats with strangers. No effective safeguarding. Sexual content and adult behaviour are common. Children have no control over who appears on screen.	Children can broadcast themselves live to anyone watching. Viewers can comment in real time, including adults.	The app prompts children to take photos instantly, which can lead to oversharing without thinking about safety.
 <b>WhatsApp</b>	 <b>Yubo</b>	 <b>Calculator+</b>	 <b>Twitch</b>
Private chats and group chats are often used for school or friendship groups, but bullying, exclusion, and sharing of images can happen quickly and spread widely.	The app is designed to meet new people. Children can live stream and chat with strangers, which can quickly become sexual or exploitative.	These apps look like calculators but are used to hide photos, videos, and messages from parents and carers.	Children watch and interact with live streamers through chat, which often includes adults and unmoderated comments.
 <b>Discord</b>	 <b>Monkey</b>	 <b>YouTube</b>	 <b>Bumble</b>
Children join private chat servers linked to gaming or interests. These spaces are often unmoderated and can include adults, sexual content, or harmful language.	Children are placed into random video chats with people they do not know. They have no control over who appears on screen.	Children can be exposed to adult content through suggested videos, comments, and live streams, even when watching innocent clips.	This is a dating app. Despite age limits, some under-18s access it to talk to adults looking for relationships.
