

ST PETER'S POST

YR6 POINTILLISM

Yr6 have been learning all about Pointillism in Art and got the chance to create their own work of art in this style. This technique is achieved by using small, distinct dots of colour to make up a larger image.

ALLOTMENT TIME

F2 have been planning what they want to plant in their allotment space. They're ready to roll up their sleeves and get digging.

YR4 PSHE

In PSHE Yr4 have been looking at the different emotions they feel and what makes them feel safe. After they discussed this they created mind maps with all of their ideas.

13TH FEBRUARY @ 9:30AM

ST PETER'S POST

Congratulations!

This weeks incredible certificate winners have shown everyone how to be an example of the perfect student.

All of St Peter's family are extremely proud of you, keep up the good work!

FRUIT SALAD

F1 have been making tasty fruit salads from scratch. They all had a chance to pick their own fruit, wash, cut it and plate it up before enjoying all their hard work.

PE DAYS

Monday	F1
Wednesday	Preschool, Yr6
Thursday	F2, Yr1, Yr2, Yr3
Friday	Yr4, Yr5

DESIGNING IN DT

After tasting different types of bread last week, Yr1 have been designing and creating their own packaging ready to make loaves in the coming couple of weeks.

YOUNG ARTISTS

To continue their shape theme this week Preschool have been exploring the artwork of Wassily Kandinsky focusing on his concentric circles. They took part in a sensory painting experience, creating their own marks while listening to classical music. Kandinsky believed he could hear colours and see sounds so the children were encouraged to explore this idea by using all of their senses. As the music played they experimented with colour, shape and movement and expressing how the sounds made them feel.

MENU - WC 02.02.26

CHILLED WATER

For allergen information, please ask one of our catering team • All the above dishes are subject to availability

Each week a class with over 94% attendance will roll the dice and move along the Attendopoly Board for a chance to win rewards. If they land on a Chance or Community Chest card they can pick a card with more options for fun incentives.

This week Yrs 3, 4 & 6's attendance was above 94%. Each got to roll the dice for a chance to win a prize and Yr6 were lucky enough to land on Class Karaoke!

Class Attendance – Week Ending 30.01.26									
Preschool Mrs Smith	F1 Mrs Jones	F2 Miss Grossie	Yr1 Mrs Coates	Yr2 Miss Harrison	Yr3 Mr MacKenzie	Yr4 Miss Redfearn	Yr5 Miss Noorani	Yr6 Mrs Camden	
92.7%	91.4%	90.6%	85.9%	91.1%	95.3%	99.1%	89.6%	95.3%	

Whole School Weekly Attendance - 92.3%

20 APPS PARENTS & CARERS NEED TO KNOW

www.SocialWorkersToolbox.com

Snapchat
Messages and photos disappear. Children can be pressured to send images because they believe they will not be saved. Location sharing can show where a child is in real time.

Roblox
Although it looks like a children's game, it includes chat features. Children can be contacted by strangers and slowly groomed through friendly game play.

Kik Messenger
Accounts can be anonymous. It is often used to move conversations away from apps parents may check.

Fortnite
Voice chat allows children to talk to strangers during games. Language and behaviour are often inappropriate.

TikTok
Children can see adult content, receive sexual comments, and be contacted by strangers. Live videos allow real-time interaction, which can quickly become unsafe.

Telegram
Messages and groups are encrypted, making them difficult to monitor. It is used to share sexual images, harmful material, and to keep conversations hidden from adults.

Hoop
The app connects directly to Snapchat and encourages children to add new contacts quickly, including people they have never met.

Reddit
Children can easily access sexual, violent, or extreme material through posts and comments.

Instagram
Messages allow strangers to contact children directly. Many children run secondary accounts that parents do not know about. There is strong pressure around appearance and popularity.

OmeTV
Random video chats with strangers. No effective safeguarding. Sexual content and adult behaviour are common. Children have no control over who appears on screen.

LiveMe
Children can broadcast themselves live to anyone watching. Viewers can comment in real time, including adults.

BeReal
The app prompts children to take photos instantly, which can lead to oversharing without thinking about safety.

WhatsApp
Private chats and group chats are often used for school or friendship groups, but bullying, exclusion, and sharing of images can happen quickly and spread widely.

Yubo
The app is designed to meet new people. Children can live stream and chat with strangers, which can quickly become sexual or exploitative.

Calculator+
These apps look like calculators but are used to hide photos, videos, and messages from parents and carers.

Twitch
Children watch and interact with live streamers through chat, which often includes adults and unmoderated comments.

Discord
Children join private chat servers linked to gaming or interests. These spaces are often unmoderated and can include adults, sexual content, or harmful language.

Monkey
Children are placed into random video chats with people they do not know. They have no control over who appears on screen.

YouTube
Children can be exposed to adult content through suggested videos, comments, and live streams, even when watching innocent clips.

Bumble
This is a dating app. Despite age limits, some under-18s access it to talk to adults looking for relationships.
