# ST PETER'S RC PRIMARY SCHOOL NEWSLETTER

We have been so lucky that we have not had one confirmed case of COVID within our school and we are possibly the only school in Wirral that has not had to close down a bubble or isolate a group of pupils this half term.

**Should a child encounter health problems related to Covid over the half term (particularly in the first few days) please use the **School Office email** to inform us so that we can request others go into isolation if necessary.**

## A Message from Mrs Parry

As we end our first term together I want to thank you and your children for making me feel so welcome. Arriving at a new post in the middle of a pandemic was never going to be easy, however the enthusiasm and excitement I have seen on the faces of your children has made my first few weeks so easy.

For the staff it has been wonderful to be able to open the doors of St Peter's again to all of our school family and the laughter and learning that has once again filled the building makes all the stress we have dealt with worth it.

Our children have coped admirably with the new hygiene routines and staggered lunchtimes, becoming very protective of their own bubbles and their own peers.

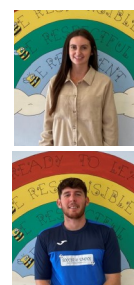

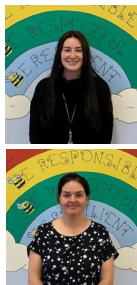

Stay safe and take care of each other next week. I look forward to seeing you all back after the break, rested and ready for whatever challenges lie ahead.

## New Starters

We are delighted to welcome a number of new children into the St Peter's Family this term in Preschool, Foundations 1 & 2 but also throughout the whole school!

We are also pleased to welcome several new staff members:

Miss Howard, Miss Simon, Miss Jones and Mr Leigh

## Keeping Active

This term our children have had the opportunity to take part in lots of exciting clubs and activities, including Football club, Dance Club, Lunchtime sports and much more!

As we're sure you can see from the photographs, our children have loved every minute of them.

Next terms clubs include: Football club, Art club, Games club and more.

## Under the Sea

Our children want to say a big thank you to Mrs Parry's neighbour, Abbie Smith who volunteered to paint an underwater mural on our container in her free time from University. We're sure you'll agree it looks incredible and is definitely an improvement.

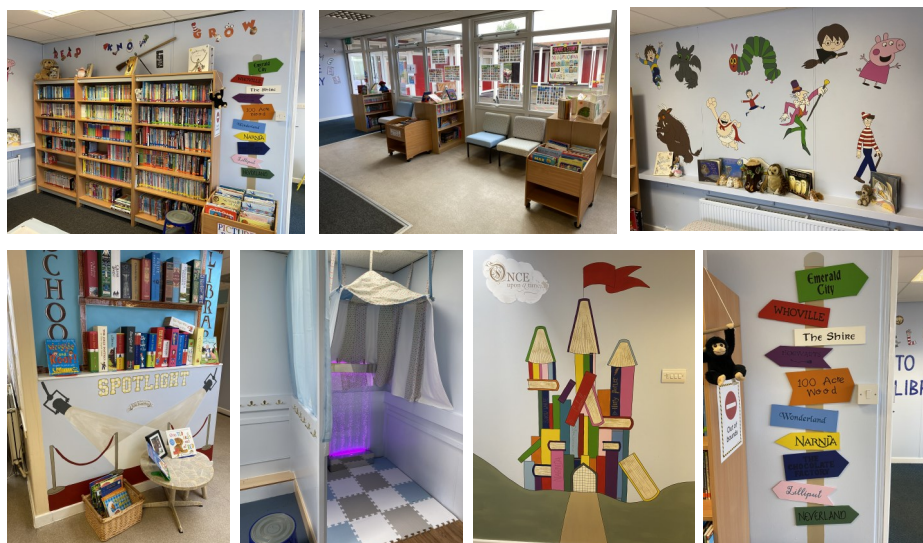

## School Improvements

Over the summer holidays our staff were working hard to make improvements throughout the school.

The school library has had a complete makeover with murals, artwork and new furniture.

Our class rooms have all been decorated too being re-painted and re-vamped ready to welcome our pupils back.

We are very proud of the way our school is looking and our children have all been very excited to see the changes.
